TRAFFICKING IN PERSONS REPORT 2009

ISSUE-IN-FOCUS, JUNE 16, 2009

*Office to Monitor and Combat Trafficking in Persons
U.S. Department of State
June 2009*

The 2009 Trafficking in Persons Report on 170 countries is the most comprehensive worldwide report on the efforts of governments to combat severe forms of trafficking in persons. Its findings will raise global awareness and spur countries to take effective actions to counter trafficking in persons.

The annual Trafficking in Persons Report serves as the primary diplomatic tool through which the U.S. Government encourages partnership and increased determination in the fight against forced labor, sexual exploitation, and modern-day slavery.
